The map displays the following countries and regions with blue dots indicating the top 10 countries by number of international students:

- United States:** Three dots are located in California, New York, and the Washington D.C. area.
- United Kingdom:** One dot is located in London.
- France:** One dot is located in Paris.

The map also shows other countries and regions including Canada, Mexico, Central America, the Caribbean, South America, Europe, and Africa. Major bodies of water like the Atlantic Ocean, Gulf of Mexico, and Caribbean Sea are labeled.

Count of client\_id by city

**Total Spent By region**
